

2015 National Financial Capability Study
Data File Information: 2015 State-by-State Tracking Dataset
June 19, 2016

Variables Included

This dataset provides respondent-level data for 2015, 2012, and 2009 for only the **subset of variables that can be directly compared** from 2015 to 2012 (and 2009 where applicable). This dataset does not include new survey questions or modified questions for which direct comparisons to previous NFCS waves are not possible.¹

As with the individual datasets for each wave, this dataset includes weights that allow researchers to match Census distributions for three levels of analysis: national (wgt_n2), Census Division (wgt_d2) and state (wgt_s3). For additional detail on the weights, please refer to the documentation provided with each individual 2015, 2012, and 2009 dataset.
